Shamanic Divination Session

With help from the shamanic practitioner's spirit guides AND the client's spirit guides, the Divination Ceremony provides information about the client's past, present, and future. During an initial Divination Ceremony, the client's location on their spiritual journey will be disclosed, as shown to the shamanic practitioner. The client may then ask specific questions for clarification or information.

Request your private Divination Ceremony in advance by emailing or texting Shannon at info@SpeakMyPassion.com or 703-865-8258

Lucia Light Session: A Hypnagogic Light Experience

Hypnagogia is an altered state of theta brainwave consciousness between awake and asleep where therapeutic benefits abound. Sessions initiate an indescribable journey, often described as psychedelic yet without any of the unpleasant side effects. Participants often feel completely relaxed and blissed out, having profound insights and revelations. Note: Do not sign up if you have a history of seizures or epilepsy, or are pregnant.
